Installation

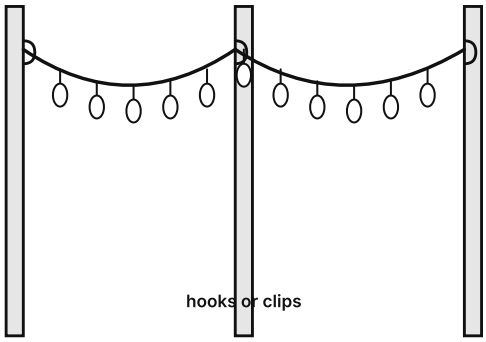

STEPS 1–3 OF 3

1

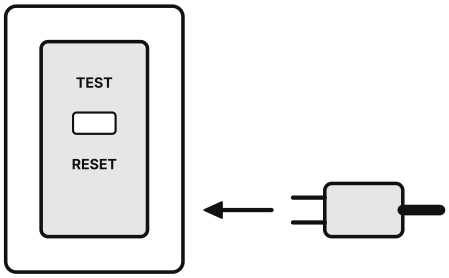

Measure the run and the distance to the outlet.

2

Hang the lights on hooks or clips (B). Never use staples or nails through the cable.

3

GFCI outlet

Plug in. Outdoors, use a weatherproof GFCI outlet.

Care

- Wipe clean with a soft, dry cloth.
- Keep electrical connections dry and avoid harsh chemical cleaners.

Troubleshooting

Problem	What to do
Lights do not come on	Check the plug, the adapter and every connector.
Strip is coming loose	Clean and dry the surface again and press the strip on firmly.
