Acorn Vase

Vase

MODEL: NF-B28C-11-000

DESIGN DRAWING

Shown: small

⚠ **Read all instructions before you start, and keep them for future reference.**

Handling precautions

1. Handle with care: glass can chip or break if it is knocked or dropped.
2. Set it on a flat, stable surface where it cannot be knocked off.

A ×1

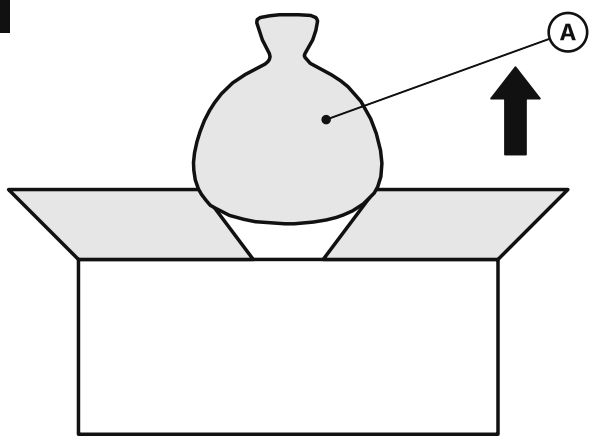

Acorn Vase

Care & Setup

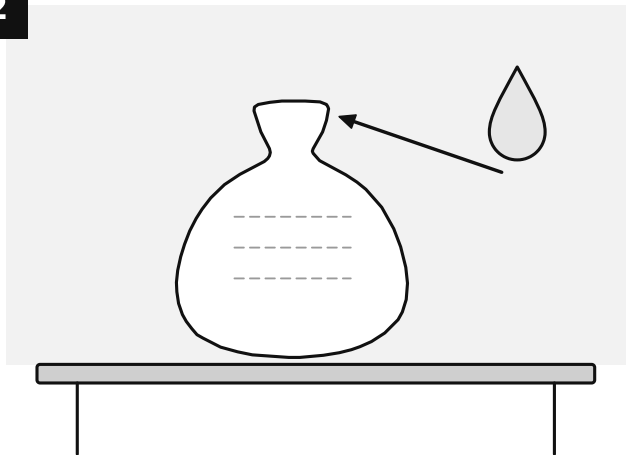

STEPS 1–5 OF 5

1

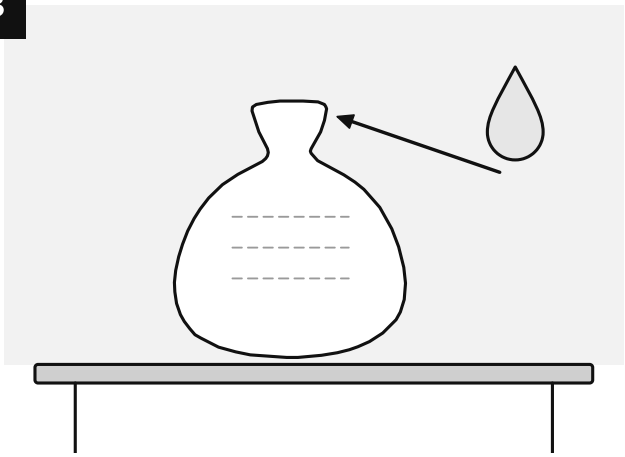

Unpack everything and remove all the packing material.

2

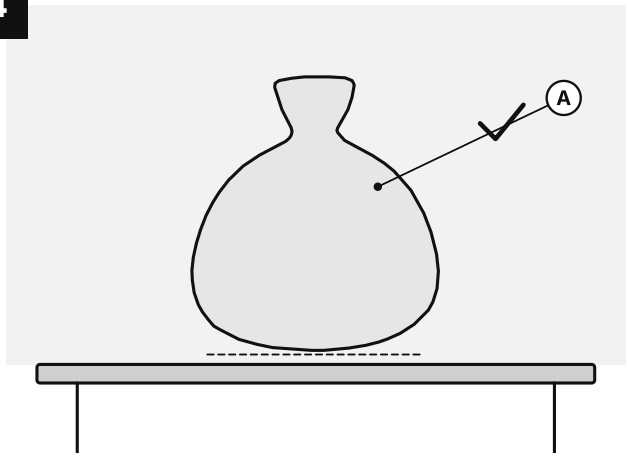

Fill until the water just touches the bottom of the seed.

3

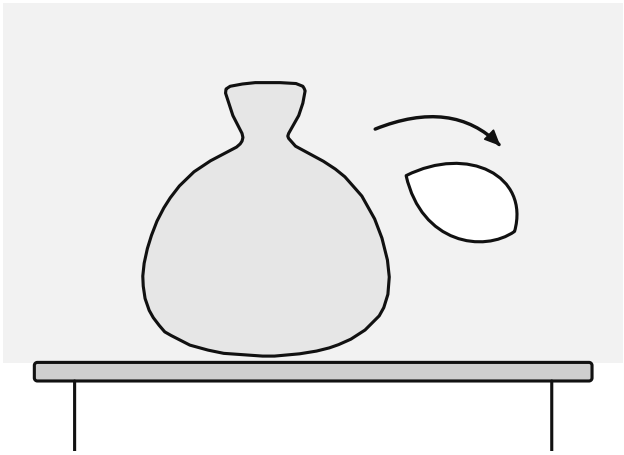

Rest the pit or acorn in the neck, wider end down.

4

Keep it on a bright windowsill, out of hard direct sun.

5

Hand wash in warm soapy water.

Care

- Hand wash in warm soapy water.
- Change the water every few days while the seed is rooting.
