Installation

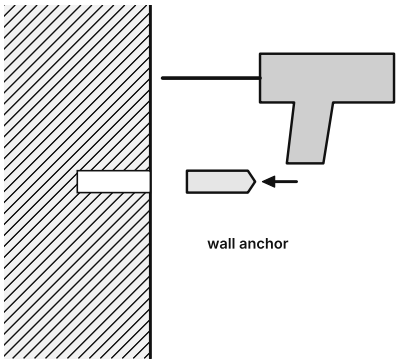

STEPS 1–4 OF 4

1

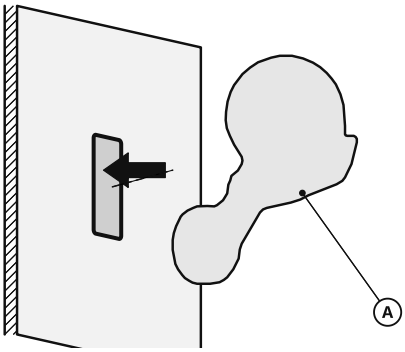

Hold the light (A) in place, level it and mark the screw holes.

2

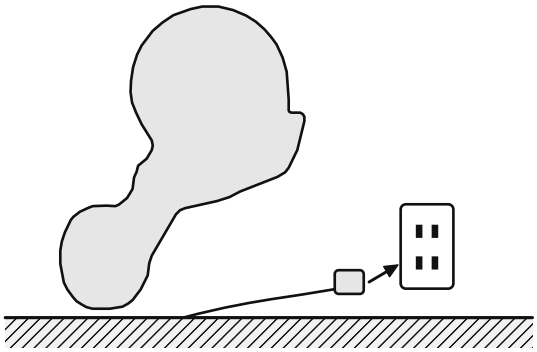

Drill the holes and push in the wall anchors.

3

Fix the light (A) to the wall with the screws.

4

Run the cord to the outlet, plug in and switch on.

Care

- Wipe with a soft dry cloth.
- Switch the power off at the wall first.

Troubleshooting

Problem	What to do
Light does not come on	Check the plug is pushed fully into the outlet and the switch is on.
Light flickers	Check the bulb is screwed in fully, if it takes one, and the plug is firm in the outlet.
