String lights, hardwired or solar

MODEL: LI002047-0

DESIGN DRAWING

⚠ **Read all instructions before you start, and keep them for future reference.**

Installation precautions

1. Turn off the power at the breaker before the hardwired version is connected, and have a licensed electrician make the connection.
2. Never use staples or nails through the cable.
3. Place the panel where it gets several hours of direct sun.
4. Do not open the sealed panel or battery compartment.

Tools needed

Tape measure

Voltage tester

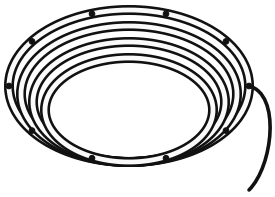

No tools needed

Parts list

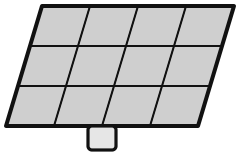

CHECK ALL PARTS BEFORE YOU START

A ×1

String light

B ×1

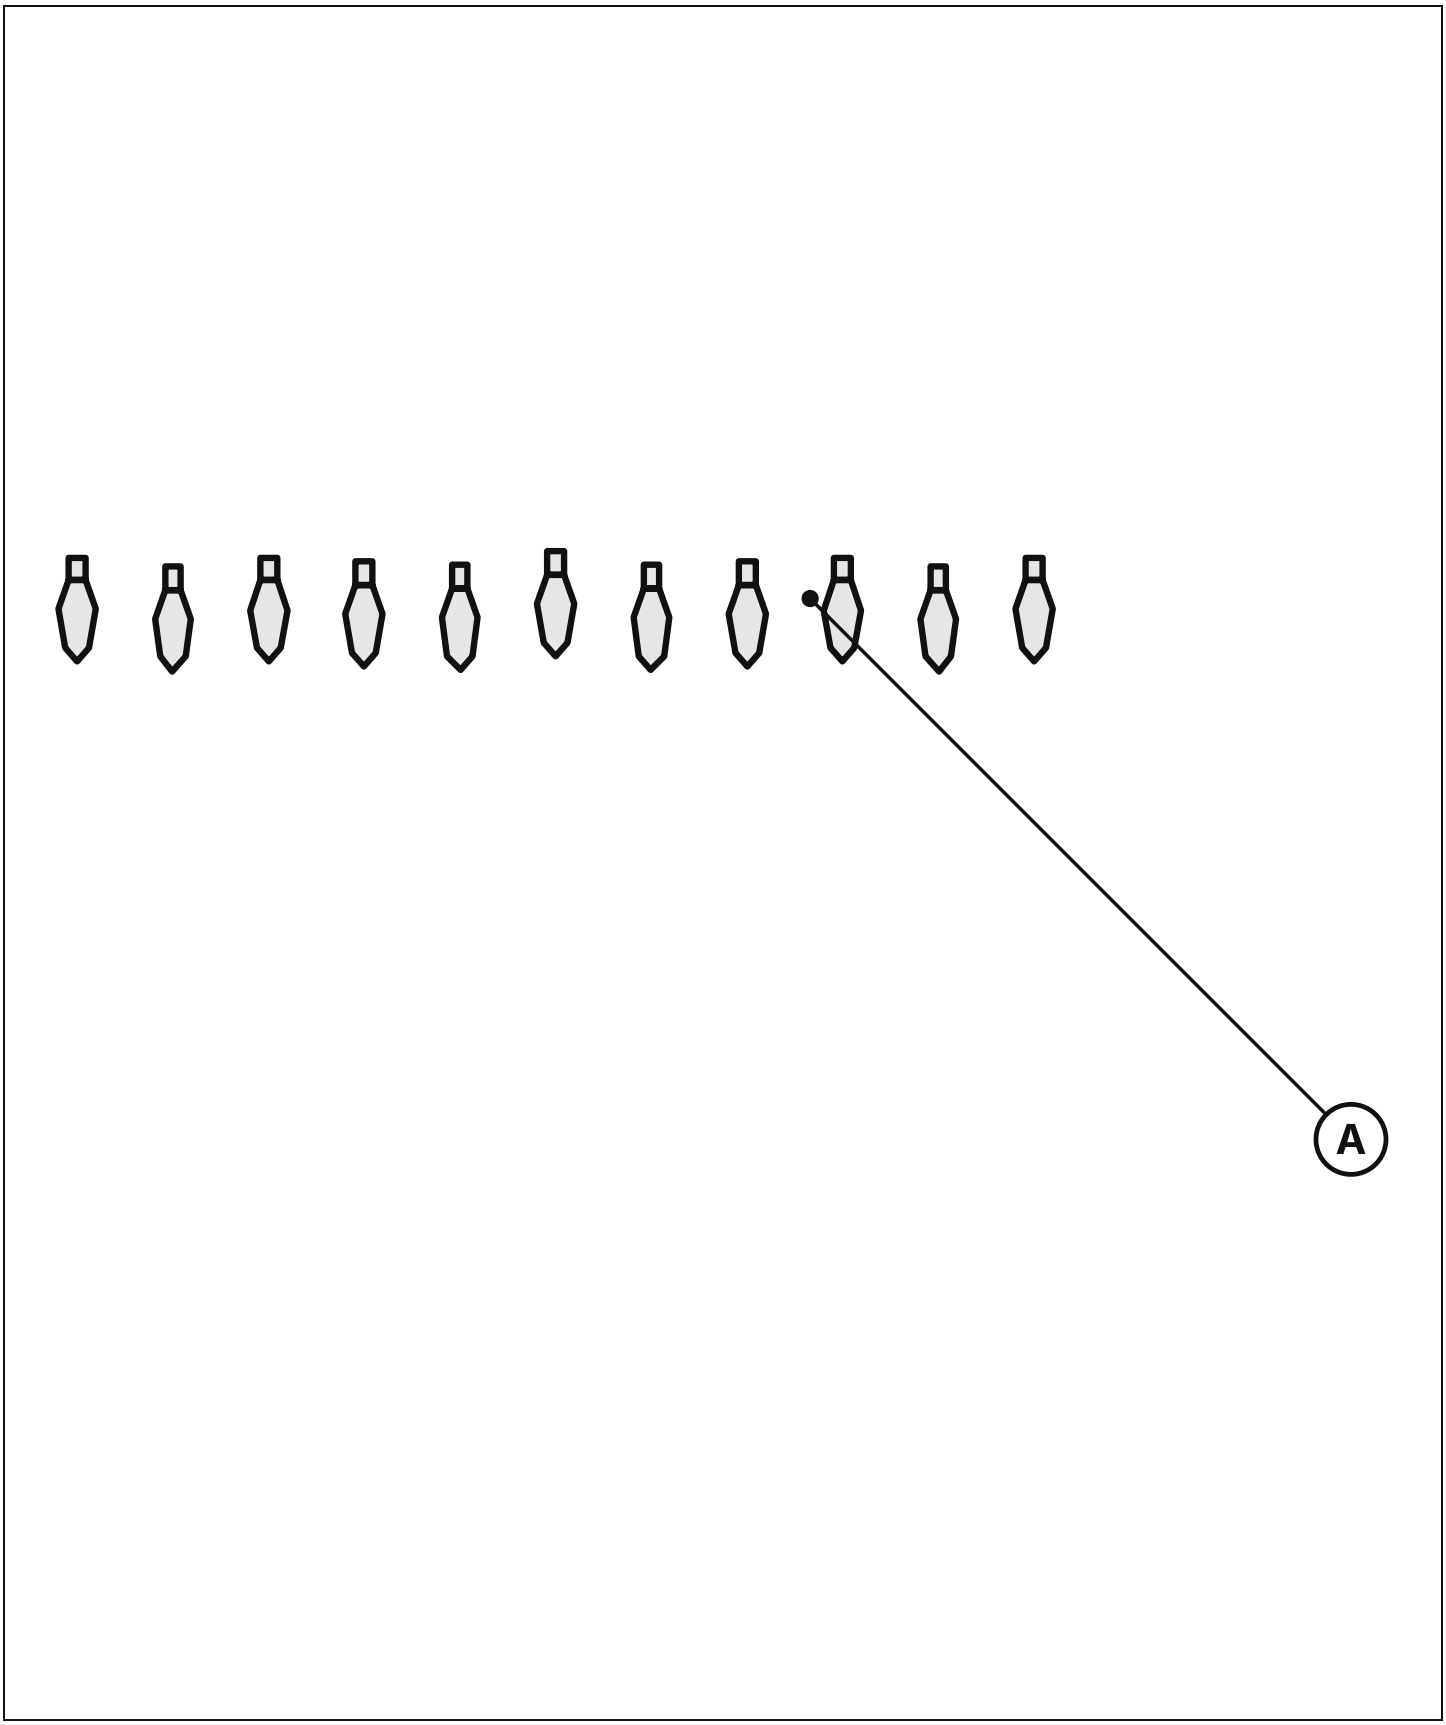

Solar panel (solar version)

Power

Hardwired: Connected to the mains by an electrician. Solar: Solar powered: the built-in panel charges the battery by day.

Exploded view

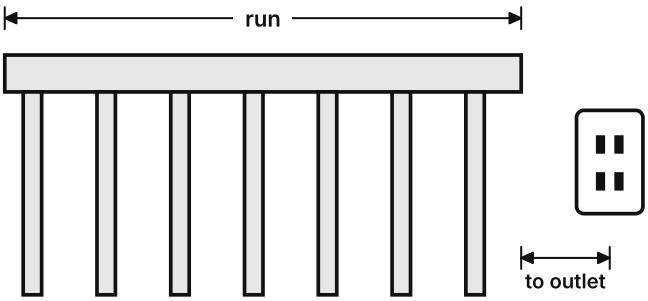

A String light ×1

B Solar panel (solar version) ×1

Installation

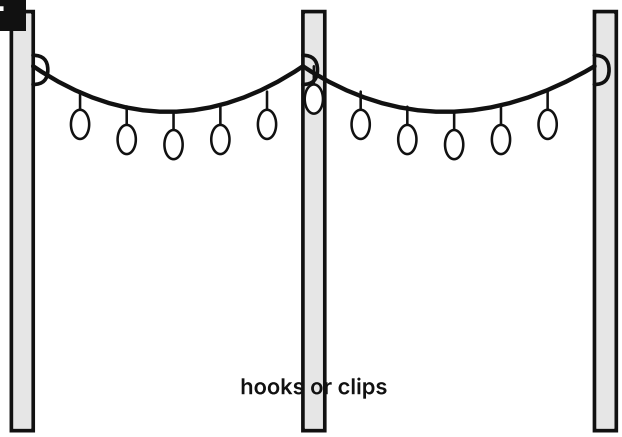

STEPS 1–6 OF 9

1

Hardwired: Measure the run where the lights will hang.

2

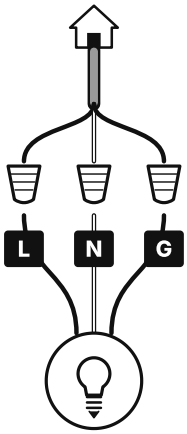

Hardwired: Hang the lights with the included hardware. Never use staples or nails through the cable.

3

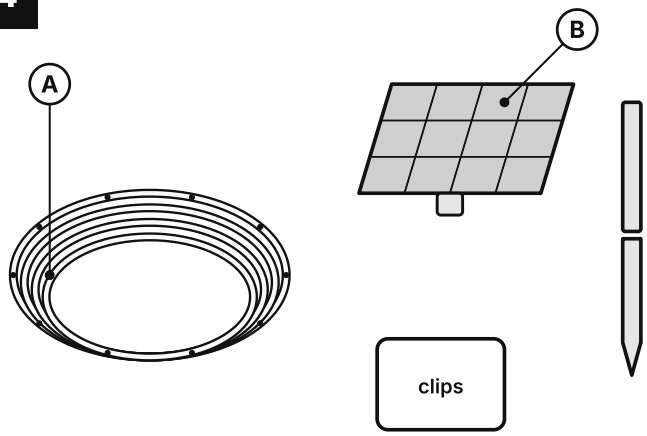

House supply

- **L** Live (hot) black
- **N** Neutral white
- **G** Ground green or bare

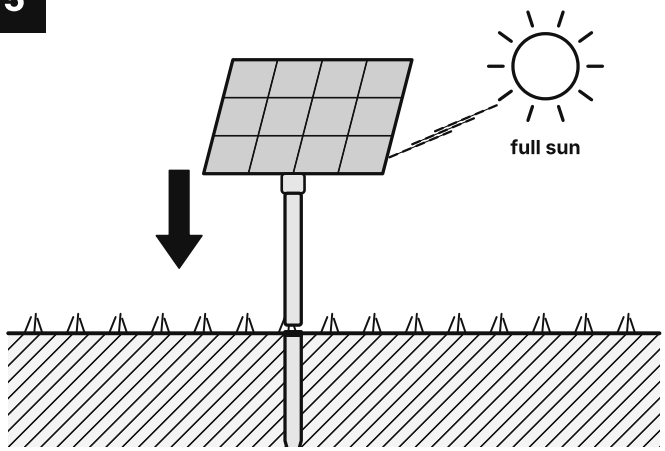

Hardwired: Have an electrician connect the hardwired version with the power off.

4

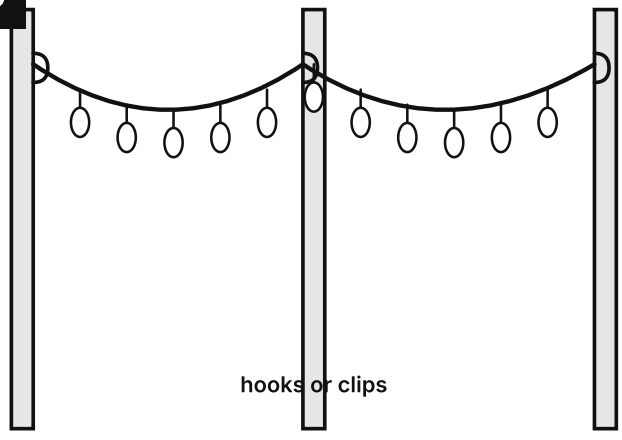

Solar: Unpack the lights and solar panel.

5

Solar: Push the panel stake into the soil where it gets full sun.

6

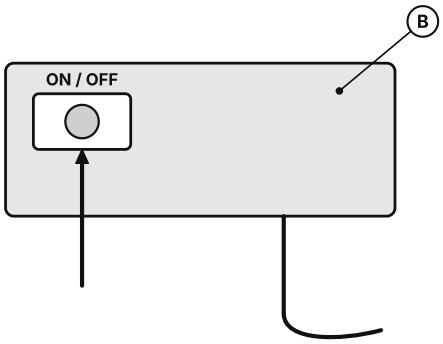

Solar: Hang the lights on hooks or clips. Never use staples or nails through the cable.

Installation

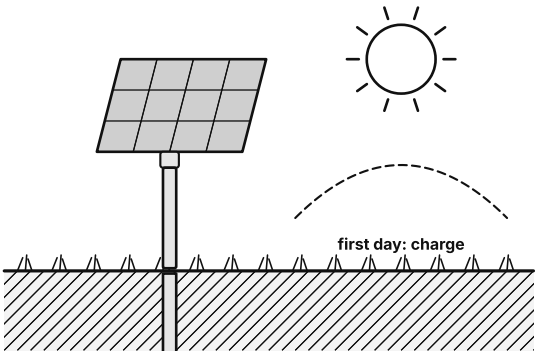

STEPS 7–9 OF 9

7

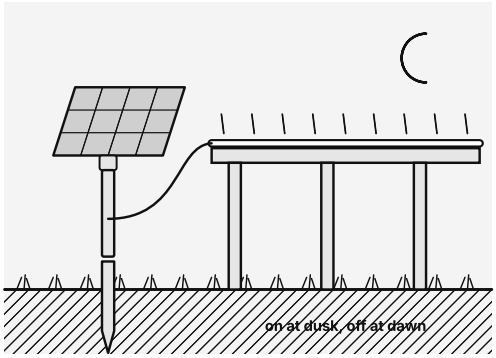

Solar: Switch on at the panel.

8

Solar: Let it charge in the sun for the first full day.

9

Solar: The lights come on by themselves at dusk.

Care

- Wipe clean with a soft, dry cloth.
- Keep the solar panel free of dust and leaves so it charges fully during the day.
- Switch the fixture off and let it cool before cleaning.

Troubleshooting

Problem	What to do
Lights do not come on	Hardwired: check the breaker and the wall switch. Solar: check the panel is switched on and gets several hours of direct sun.
Short run time (solar)	Clean the panel and move it out of shade. Run time drops on cloudy days.
