Installation

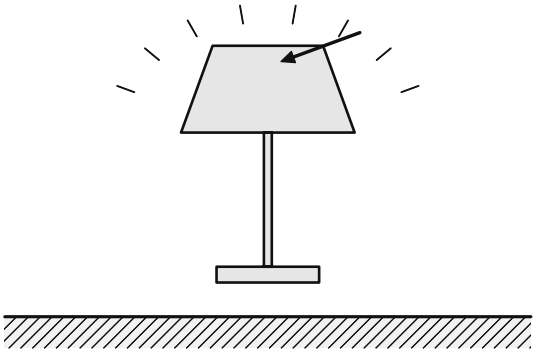

STEPS 1–3 OF 3

1

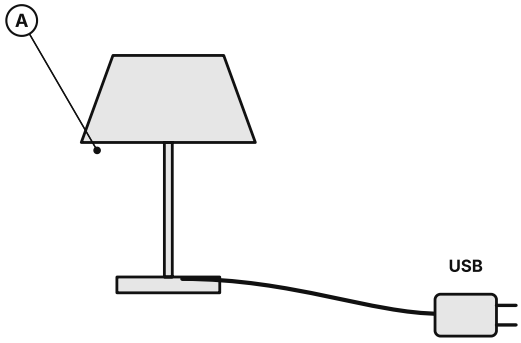

Charge the lamp (A) fully before first use.

2

Switch the lamp on.

3

Recharge it when the light dims.

Care

- Wipe clean with a soft, dry cloth.
- Dry the stainless steel stand after heavy rain to keep it spotless.
- Close the charging port cover when the lamp is outdoors and recharge it indoors or under cover.

Troubleshooting

Problem	What to do
Light does not come on	Charge it fully over USB and check the switch is on.
Light is dim or goes off early	Recharge it fully. Run time drops as the battery runs down.
